MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT : Operations Under 34-A Plan in SVN

1. The Director and I want to make sure that the Agency is doing everything it can and should to render maximum support and assistance to [redacted] such operations. This is part of the commitment the Director made to General Taylor.

2. Please have me brought up to date on the present status of our support and activities in this regard and please see that the Director and I are kept informed of the results of operations as they occur.
